PLAYER PATHWAY

SUPPORTING ATHLETES WORLDWIDE

www.sokkrofficial.com

The Sokkr brand was formed in 2023 by founder and Director **Jack Porter** having spent the past 13 years coaching at all levels of the game and working within prestigious English Academies such as **Southampton FC**.

We look to inspire whilst empowering our Sokkr Athletes to fulfil their own aspirations and maximize their potential.

The Sokkr Group Ltd is a holdings company overseeing a group of subsidiaries of which relate to raising the standards of football and providing support opportunities to leave a legacy on the beautiful game. The Sokkr Group aims to provide young players from around the world with access to its methodology and opportunities via its programmes with it's vision to education, to provide amazing experiences and to offer opportunities with bases in the UK, Spain and are announcing further locations soon.

The Sokkr Group consists of-

- SOKKR Academy**
- SOKKR NXT GEN**
- The Agency**
- TSG CUP**
- Camps/ Tours**
- The SOKKR Coach**
- Apparel**
- Podcast**

What is SOKKR NXT GEN?

For Male & Female football players from U14-U16 years of age.

Players will have the opportunity to become part of SOKKR's talent programme. This enables players to attend monthly training and individual development with SOKKR's coaching team.

Including match and talent assessment at elite venues in the presence of scouts and coaches from around the world.

If players are deemed ready they may also be offered places onto our SOKKR Agency Programmes.

The aim is to provide development to players before they reach college ages. This allows players to get a taste of what sporting life will be like at SOKKR Academy full-time with education for ages 16-18 and it's further pathways instead of the occasional trials and would not conflict with any current teams.

We offer football and degree options for players 18+

This programme is designed to develop the talent of players through sporting and academic pathways with Buckinghamshire New University.

Opportunities for players to play in competitive league fixtures with our own Full-time Non-League club Long Crendon FC with Female players part of Wycombe Wanderers Women and will have access to our new stadium and performance centre for the 27/28 season.

Football College + Degree

For Male football players aged between U16/U23 who are unsigned from professional clubs offering a rich experience and hone their skills over a minimum of three seasons. This is done through a meticulous training and games programme carried out by The SOKKR Group and the full time Non-League club partner at Long Crendon FC and for girls to be part of Wycombe Wanderer Women our technical staff, to provide support and pathways either into the professional game and/or support the individual pathways to a career in the industry.

The programme develops the talent of the players in both sporting and academic pathways.

A focus on technical, tactical and physical training and personal development and emotional support are fundamental including degree studies. In addition, players play both competitive league fixtures at senior level, U18 and college squads to maximise their exposure to football in the UK and international experience.

As part the partnership with SOKKR, players will be able to access futher international camps based at world-class venues in Spain & Portugal which currently includes but not limited to; SL Benfica, Tarragona, FC Barcelona, Girona FC, Alicante and SC Braga.

The camp runs in a traditional format for sports camps across Europe with both Male and Female categories. Includes football focused sessions and meticulous S&C support with exposure to international fixtures.

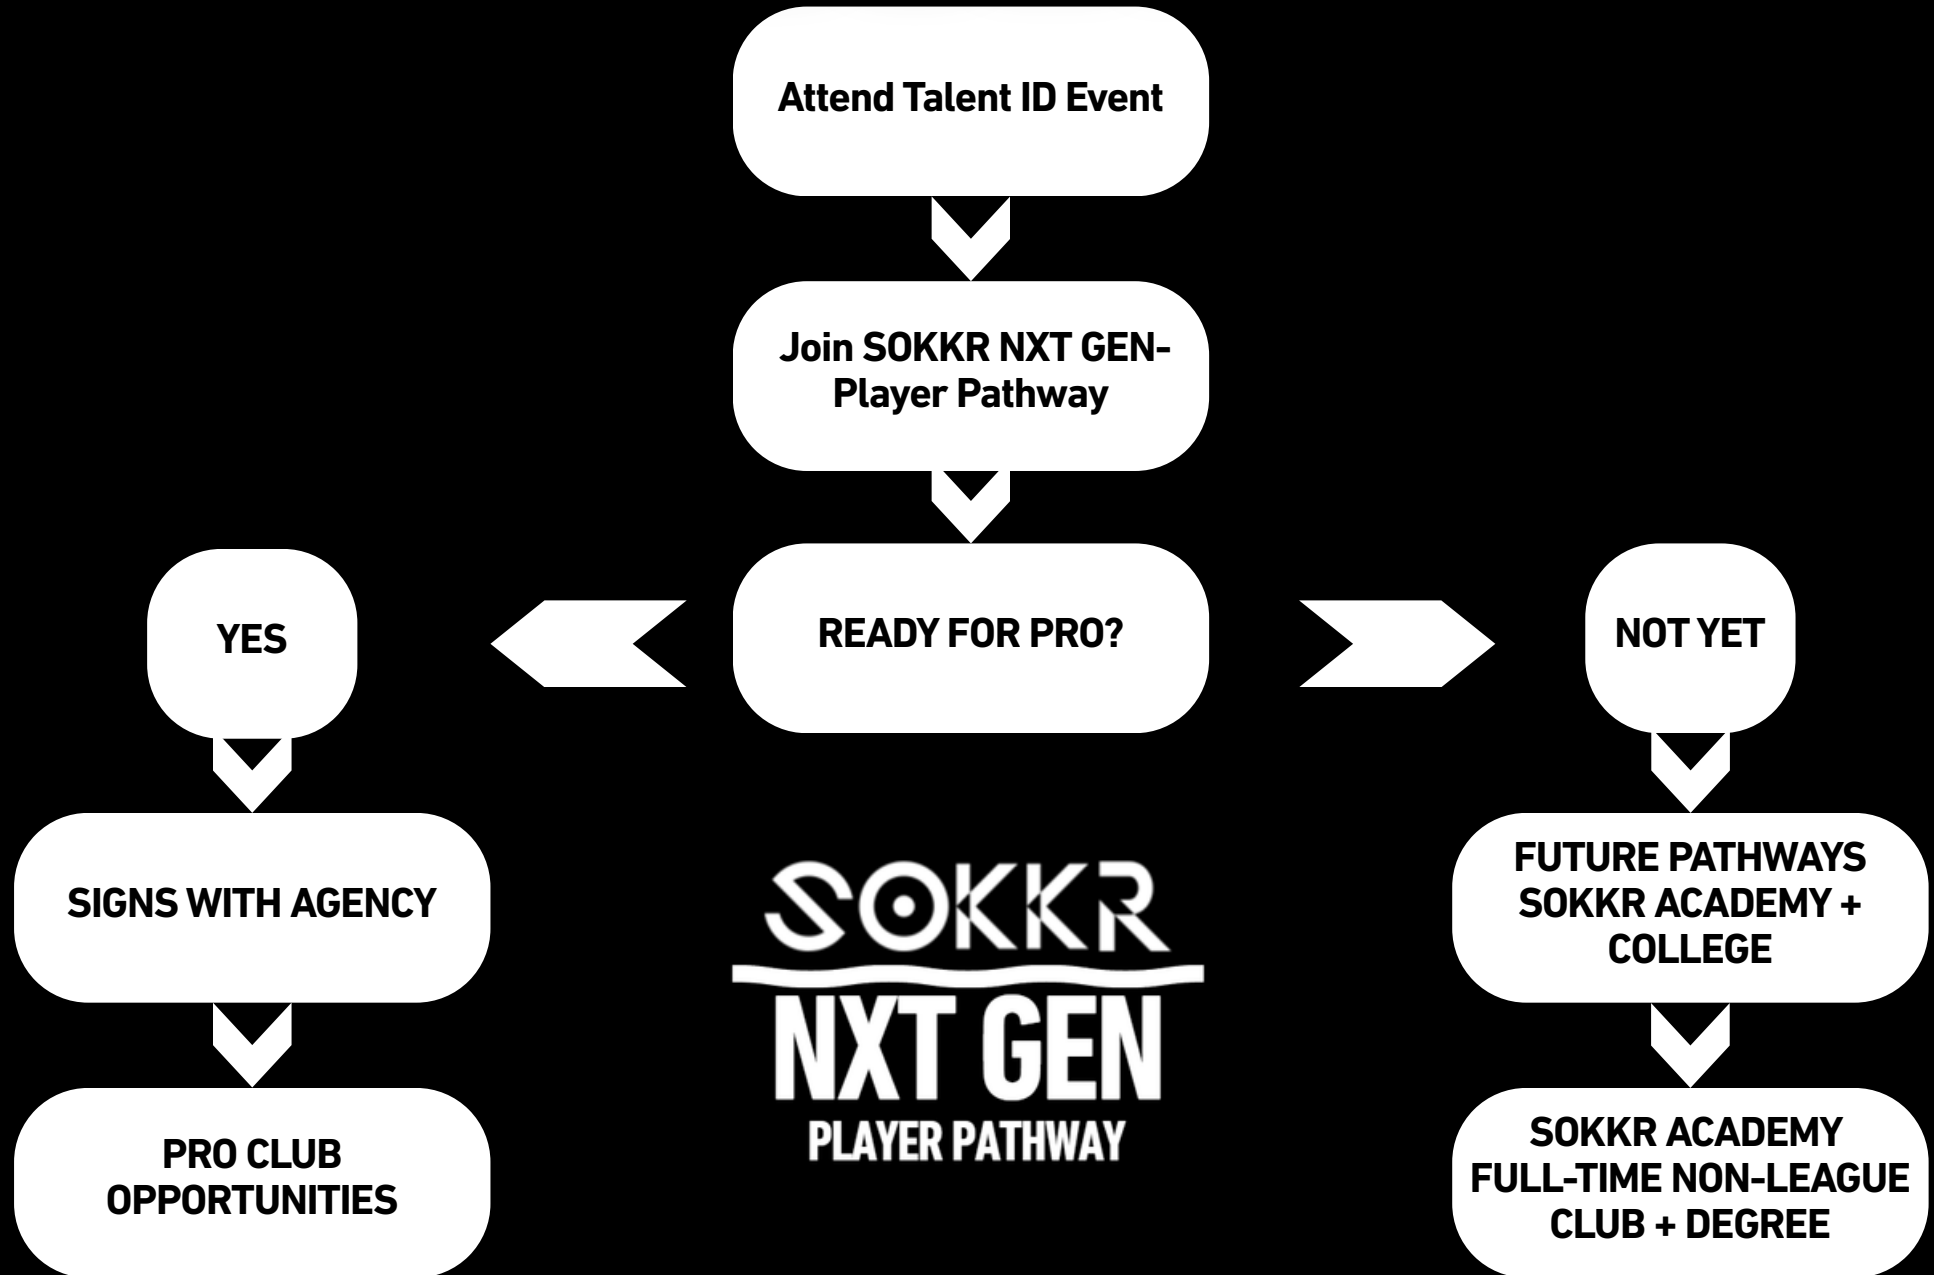

All camps will be run by our fully qualified team of staff with a mixture of Spanish culture and guest coaches including UEFA Pro/A/B licence from different levels of the industry to keep learning fresh and varied.

EXCITING INTERNATIONAL EXPERIENCES

PATHWAY MAP

Q&A

1. “What is SOKKR NXT GEN and who is it for?”

Answer

SOKKR NXT GEN is a 10-month high-performance training and development programme for players aged 13–16 who are serious about improving and potentially progressing into a full-time football and education pathway.

It’s designed for:

- Ambitious grassroots players
- Academy players wanting more
- Players targeting a future in football

It bridges the gap between weekly training and elite academy environments.

2. “What will players gain from attending each month?”

Answer:

Each session is built to replicate a professional academy experience, including:

- Advanced technical and tactical coaching
- Game understanding and decision-making
- Athletic development (speed, strength, movement)
- Injury prevention and physio input
- Nutrition and lifestyle education
- Individual feedback from coaches

Players leave every session knowing what they need to improve and how to improve it.

3. “How is this different from regular club training?”

Answer:

Most club environments focus on team performance and weekly fixtures.

SOKKR NXT GEN focuses on individual player development, with:

- Higher coaching detail and intensity
- Position-specific guidance
- Exposure to a professional-style environment
- Long-term tracking across 10 months

It complements club football rather than replacing it.

4. “Will players be assessed or selected during the programme?”

Answer:

Yes — but over time, not in a one-off trial.

Players are:

- Observed across multiple sessions
 - Given consistent feedback
 - Identified based on development, attitude, and potential
- This creates a fairer and more accurate assessment process.

5. “How does this help players progress into the SOKKR full-time programme?”

Answer:

SOKKR NXT GEN is a direct pathway into our 16–18 football and education programme.

Players in the programme:

- Are already known to our coaching staff
- Understand our playing style and expectations
- Are prioritised for selection opportunities

It gives players a clear advantage compared to external applicants and a greater understanding of sporting expectations
