Football & Degree

For Female football players aged between U18/U23 who are unsigned from professional clubs offering a rich experience and hone their skills over a minimum of three seasons. This is done through a meticulous training and games programme carried out by English EFL Club **Wycombe Wanderers FC** in partnership with **The SOKKR Group** and their technical staff, full-time to provide support and pathways either into the professional game and/or support the individual pathways to a career in the industry.

The programme develops the talent of the players in both sporting and academic pathways. A focus on technical, tactical and physical training and personal development and emotional support are fundamental including degree studies. In addition, players play both competitive league fixtures and showcase friendlies to maximise their exposure to football in the UK and international experience.

YOUR PATHWAY TO FOOTBALL & STUDIES

The **SOKKR Academy UK** in partnership with **Wycombe Wanderers Foundation** offers aspiring footballers a unique opportunity to experience a full season of professional-level training and competition. Players will train full-time in an elite environment, mirroring the lifestyle of a professional athlete while competing in national competitions.

As part of the program, players will gain invaluable experience by integrating into senior football through our partner clubs, providing them with the platform to develop their skills, enhance their tactical understanding, and showcase their talent at a competitive level.

Our academy is designed to bridge the gap between youth and senior football, preparing players for the demands of the professional game.

This immersive experience is ideal for ambitious footballers looking to take their game to the next level, gain exposure, and pursue opportunities within the football industry.

HISTORY OF W3

Wycombe Wanderers Women (W3), operating under the Wycombe Wanderers Foundation, compete in the Southern Region Women's Football League Premier Division, aiming for progression to tier four. The team, nicknamed the Chairgirls, plays home games at Burnham FC's 1878 Stadium and has recently achieved success, including reaching the Women's FA Cup First Round.

The club consists of a first team in the Southern Region Women's Football League (Premier Division) and an Under 18's team.

FA Cup Achievement: The 2025/26 season saw the team reach the First Round Proper of the Adobe Women's FA Cup for only the second time in their history.

Community Focus: The club is supported by the Wycombe Wanderers Foundation, emphasizing development, inclusivity, and strengthening women's football in the region.

Background: In March 2023, the club partnered with Buckinghamshire New University to research and improve women's experiences and representation on matchdays.

The team plays at a high regional level, with ambitions to move into national league football (tier four).

FURTHER SENIOR PATHWAYS

As part of the Women's pathway, our players will have the opportunity to maximise their games programme by representing Long Crendon Ladies FC at senior level. A club that is under sporting control of The Sokkr Group and will act as a bridge for players between W3's U18 and 1st team pathway.

A photograph of two young women on a soccer field. They are wearing dark, patterned soccer jerseys with 'SOKKR' written on the back. The woman on the left is holding a white soccer ball with colorful patterns. The woman on the right is also holding a similar ball. They are standing on green artificial turf. In the background, there is a chain-link fence and some buildings. The lighting suggests it's daytime.
